A real jewel in the heart of Zurich. The Small Luxury Hotel Ambassador à L'Opera in Zurich's Seefeld district is part of the former Uto Castle, which was built in 1898 in the neo-baroque style, and its unique roof terrace offers guests an exclusive retreat with breathtaking views of the Alps and Lake Zurich. Besides its architecture, the hotel's stylish interior and elegant rooms are similarly impressive. The 45 comfortable and very individual hotel rooms, with complimentary WiFi and many other high-quality amenities, make for a memorable and eventful stay in Zurich. The electronically adjustable beds in all the rooms round off the hotel's offering and guarantee guests optimum relaxation coupled with a luxurious and restful night's sleep.

Highlights for the discerning palate. Chef Pierre Meyer and his Restaurant Opera team look forward to delighting you in a unique ambience with seductively prepared fish specialties of the highest quality. Awards including the Golden Fish, MSC certificate and entries in the Gault Millau guide reflect the significance we attach to impeccable quality and assured sustainability, which is why we use only fresh, predominantly regional, ingredients.
