COMMITMENTS: our FIT rates must be published with a minimum mark-up of 20%

The special Tour Operator rates that we apply are net of commission, valid solely throughout the validity of this contract excluding "dates of closure" and only applicable to the number of rooms on allotment and categories specified for the on the grid of Tour Operator rates appended to the contract. For all requested for room categories not specified on this grid, a commission of 15% will be granted on the public rate (room only basis: taxes & breakfast in supplement and not commissionable). The special Tour Operator rates are exclusively intended for "business to business" use. The person who sign this contract must occupy the position of Intermediary for tourist industry professionals.

Consequently, these net Tour Operator rates must be used in the context of a re-sale with a professional in the tourist industry (such as a travel agency), necessarily implying the application of respective and successive financial margins In the context of a direct sale to the end-consumer, the application of these net rates is therefore excluded from this contract.
