RESTAURANTS:

MIKRASIA DINNER EXPERIENCE

From the distillation of the culinary traditions of Asia Minor, the famed cuisine of Constantinople compassed the traditions of what Greeks still call today "Politiki Kouzina" or "The Food of Constantinople". Mikrasia is about redefining the classic Byzantine cuisine fashioned in a different modern way. Committed to the Byzantine culture that never ceased to develop and to innovate, our aim is to preserve a little taste of what Byzantine food must have been like. Based on the merging of different local ingredients and aromas that lead a burst of colors and flavors.

SELTZ CHAMPAGNE BAR & RESTAURANT

The time of day and occasion are the factors that differentiate the view. Whether dining in the day whilst overlooking the azure waters of the caldera and the far away cruise ships ebbing into the harbor or enjoying sumptuous and romantic sunsets or candle lit dinners, SELTZ Champagne Bar & Restaurant will engulf you in its casual sophistication.

THE POOL BAR & RESTAURANT

The Pool Bar's monumental effect on the colors of the Caldera characterizes the relaxing element of the pool bar. Enjoy classic and contemporary cocktails, champagne, fresh fruit juices and light gourmet snacks.

THE KIRINI WINE TASTING

Enjoy the symphony of colors of the famous Santorini sunset during our ceremonial wine tasting. Hypnotizing sunset hues provide the perfect accompaniment to the tastes and textures that abound from Santorini's vintages from local vineyards.
